

WORD PUPPIES™ DOG HOUSE

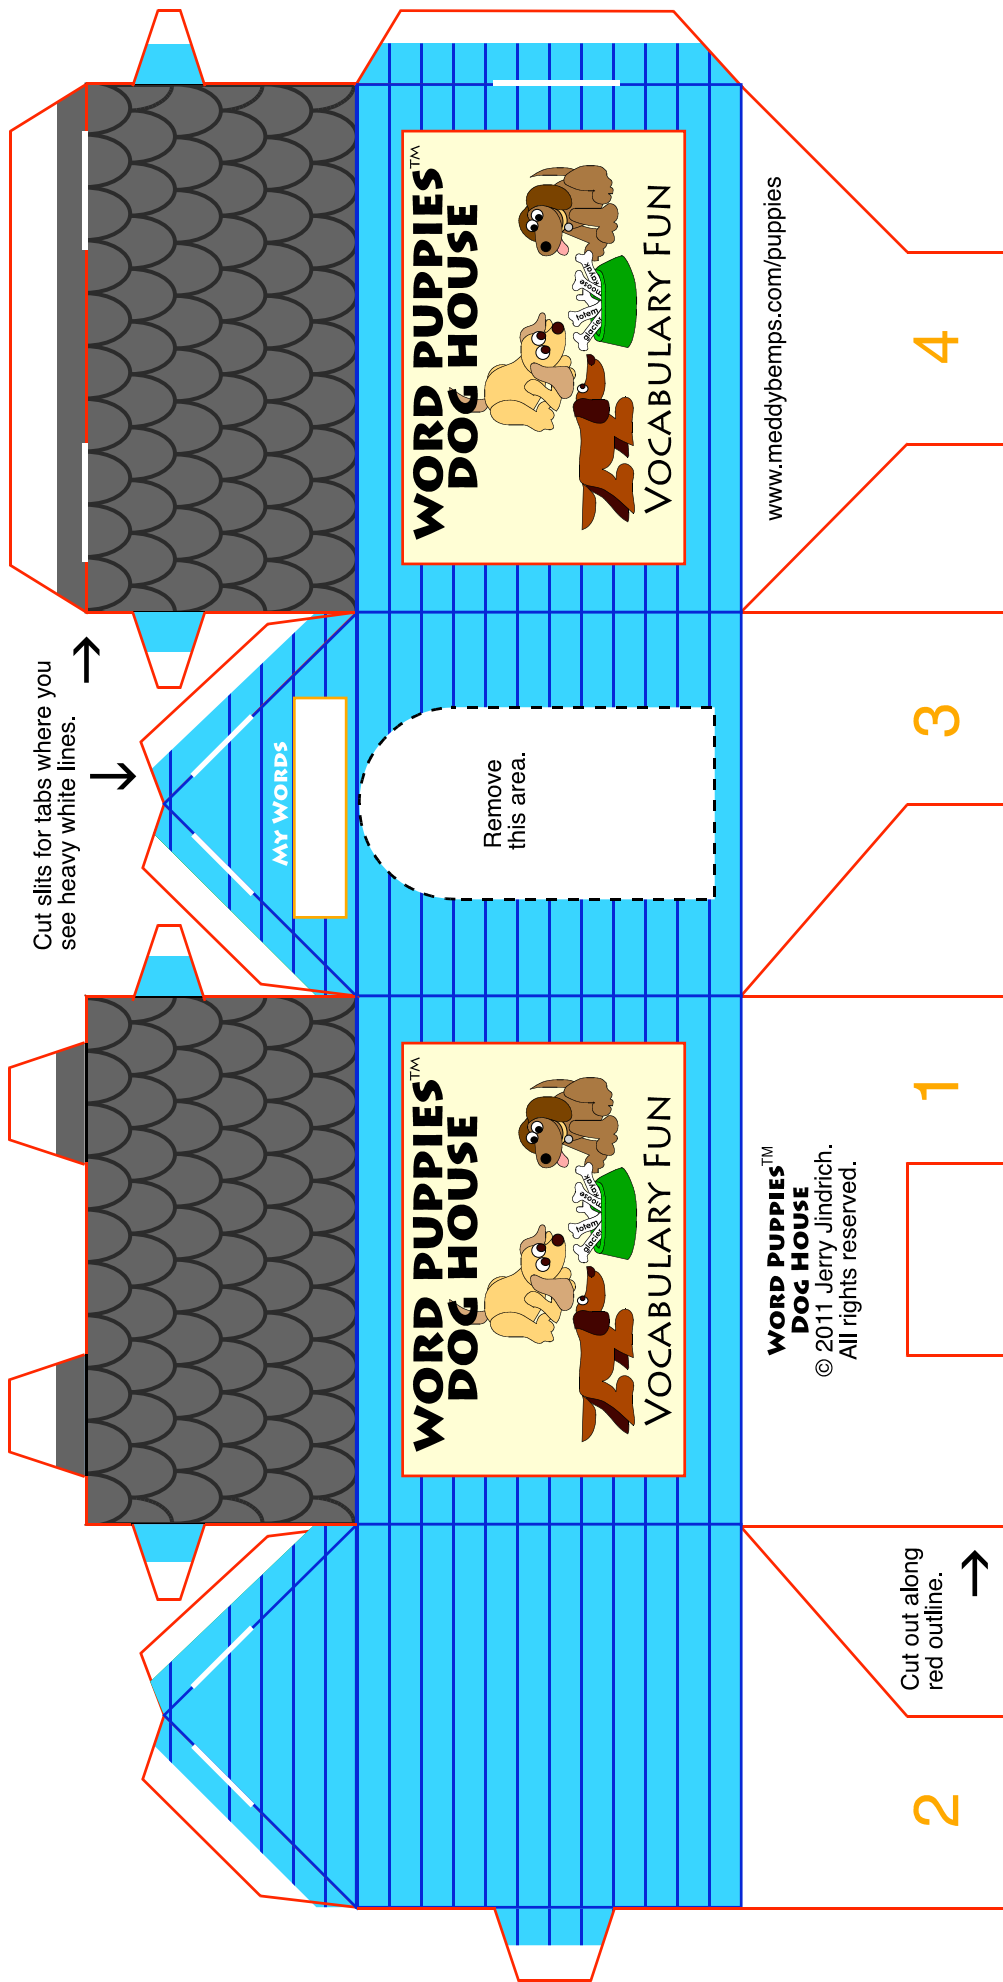

A GOOD PLACE TO STORE WORD BONES. VOCABULARY BUILDING FUN FROM CHATEAU MEDDYBEMPS®

This image reproduces best when printed by a good quality ink jet printer on premium heavy weight (68 lb) glossy photo paper. Print first on 24 lb plain paper to practice cutting and folding this structure.

To assemble:

- Cut the building from this sheet with scissors. Cut slits carefully with hobby knife.
- Fold and gently crease tabs, corners of building, roof panels and bottom flaps.
- Slip tabs into slots. Save bottom flaps until last.
- Fold bottom flaps under in numerical order. Flap 4 is last and should tuck under Flap 1 to hold them all in place. Use glue or tape for permanent assembly.
