

The graphic features the word "Inventing" in a colorful, stylized font where each letter is a different color and has a unique shape. Below it, the word "DAY" is written in large, white, bold letters on a dark brown rectangular background. Underneath "DAY", the word "Rules" is written in a large, orange, sans-serif font.

Inventing DAY Rules

1. Invention ideas must be submitted as drawings. They can be drawn on the Invention Drawing Sheets PDF form, but they don't have to be. They should be no larger than 8.5 x 11 inches. They can be in color.
2. The invention should be named or its purpose should be given. Explanatory notes about how it works are not required but could be helpful.
3. Drawing(s) must be accompanied by a completed Submission form signed by the child's parent or legal guardian.
4. A child may submit more than one invention.
5. Submissions should be mailed to:

Chateau Meddybemps Inventing Day
P. O. Box 1054
Newburgh, Indiana 47630
6. Submissions must be received by Tuesday, May 31, 2010.
7. The Judges will pick First and Second Place Inventors in three age groups: age 5 and under, ages 6 and 7, and age 8 and above. The selected invention drawings will be published on Meddybemps.com on Wednesday, June 1. An Inventing Day T-Shirt will be sent to each of the published inventors.
8. Remember, this is just for fun. The judges will be looking for inventions that show imagination and ingenuity.

Good Luck!
