

Chateau Meddybemps®
 Meddybemps Miniature Village™
Doctor's Office

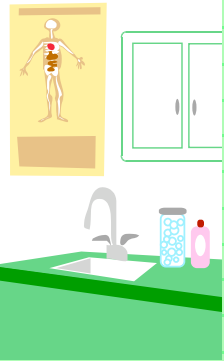

- To assemble:**
- Cut the building from this sheet with scissors. Cut slits carefully with hobby knife.
 - Fold and gently crease tabs, corners of building, roof panels and bottom flaps.
 - Slip tabs into slots. Save bottom flaps until last.
 - Fold bottom flaps under in numerical order. Flap 4 is last and should tuck under Flap 1 to hold them all in place. Use glue or tape for permanent assembly.
- For more ideas and inspiration, visit www.meddybemps.com/trains/village.html.**

 **Dr. Phil Goode**
 PEDIATRICIAN 

**The Office of
 Dr. Phil Goode**

I visit my doctor,
 when I feel ill.
 To get a shot
 or drops or a pill.
 He checks my ears,
 my eyes and nose.
 Listens to my heart
 and counts my toes.
 A funny guy is my
 Doctor Phil.
